TRASH AND BULK -

Would you like to have trash and bulk items just throw in your yard after you took the time to clean it up, put it in bags, called 311 and had your bulk items picked up? I am sure your saying **NO** - Well that is what is happening in some of our alleys and vacant houses - No sooner are there cleaned someone decides to dirty it up again. The city is working with us but a lot of residences are just making our community look bad. How long does it take to clean in the front and back of your houses? **The 311 number is available 24 hours a day. If you need to call for bulk pickup** Do not just dump it in the alley.
